Please find attached
- the question booklet of TMA01
- the revised presentation schedule of the course.
- the revised time table for tutorials and surgeries

The changes to the presentation schedule are the changes of the cut-off dates of TMAs 01 and 02. The new cut-off dates are 12 Jul 2000 and 12 Sep 2000 respectively. Please note that the cut-off date of TMA01 was mistakenly stated as 13 Jul 2000 in the checklist for mailing 2.

Best wishes in your studies.
